YOU JUST BROKE INTO THE WRONG CAR.

A light-colored dog, possibly a Weimaraner, is shown from the chest up, standing on a reddish-brown rock. The dog is wearing a brown, flat-topped hat. It is looking back over its left shoulder with a characteristic head tilt. The background consists of a clear blue sky and some green foliage. The text is overlaid on the right side of the image.

We're

OH, YOU RAN A MARATHON?

HOW HEAVY WAS THE SLED?

My dog is really smart. He knows when he hears the word vet.

Unfortunately, he's not that smart in choosing a hiding place.

Remind me why there's
a treat limit again?

Cuz
I
don't
agree

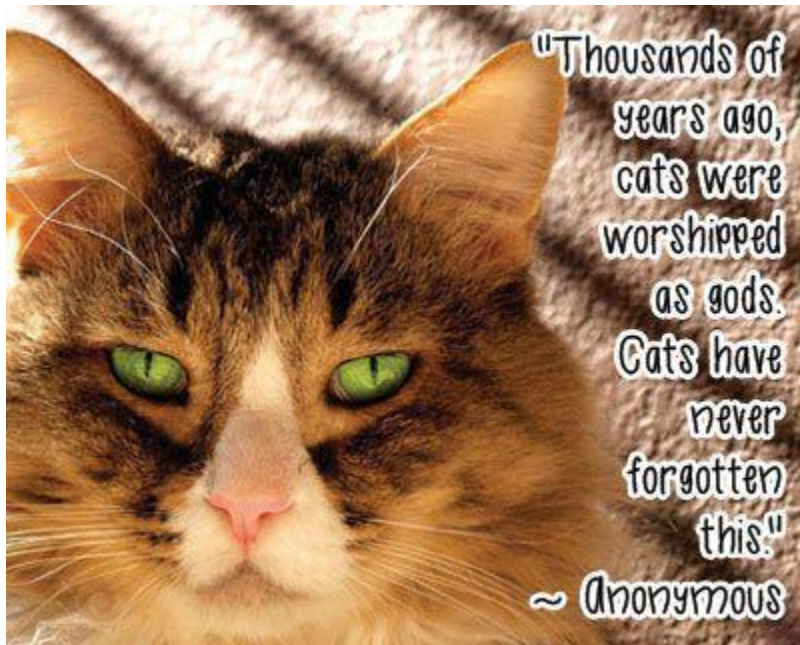

"Henry! Our party's total chaos! No one knows when to eat, where to stand, what to ...
Oh, thank God! Here comes a border collie!"

PODENCOS WILL STEAL YOUR HEART.

No, I wasn't digging again...

...just out of curiosity, why do you ask?

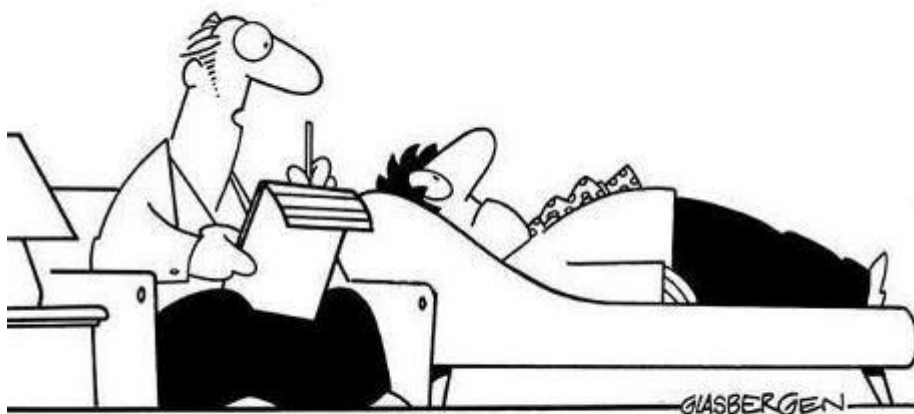

If I had a dollar

I would be a

YOU MIGHT BE A DOG LOVER IF.....

1. You can't see out the passenger side of the windshield because there are nose-prints all over the inside.
2. You carry dog biscuits in your purse or pocket at all times.
3. You have baby gates permanently installed at strategic places around the house, but no babies.
4. Your dog owns more clothing and toys than your neighbor's children.
5. You sign and send birthday/anniversary/Christmas cards from your dog.
6. You decide you might have kids so the dog will have playmates.
7. You talk about your dog the way other people talk about their kid.
8. You tell your relatives you aren't coming unless the dogs are invited, too.
9. Your dog eats his poop, but you still let her kiss you.
10. You make your significant other sleep on the couch because there isn't enough room for the three of you.

"Do you have a smaller cone?"

"In order to keep a true perspective of one's importance, everyone should have a dog that will worship him and a cat that will ignore him."

"Ha ha ha, Biff. Guess what?
After we go to the drugstore and the post office,
I'm going to the vet's to get tutored."

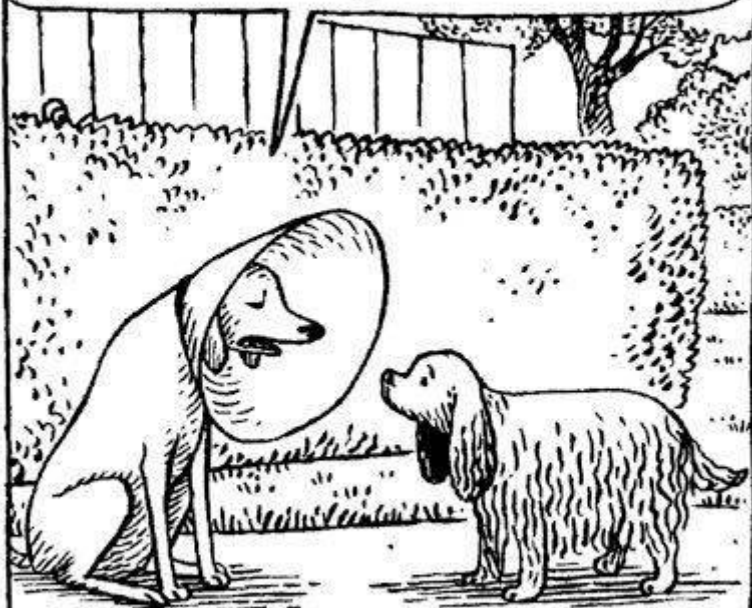

Like most veterinary students, Doreen breezes
through chapter 9.

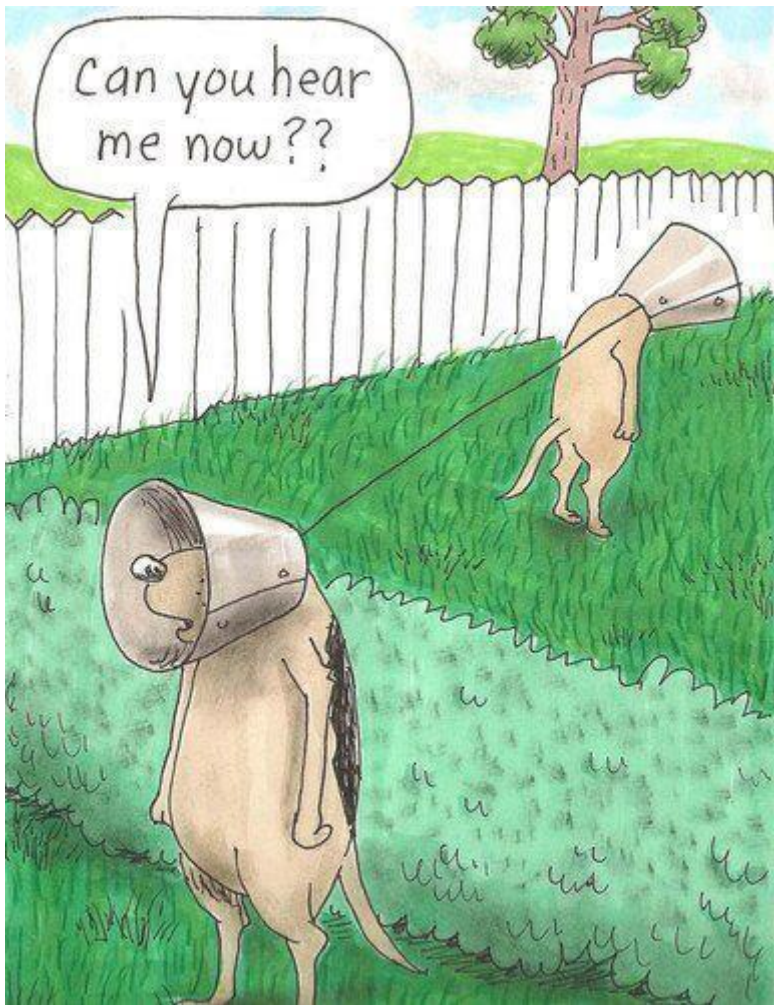

A medium-sized dog with tan and grey fur is sitting upright in the back seat of a car. The dog is looking out the window to its right. It has a red collar with a tag. The car's interior is visible, including the headrest and window frame.

Could we at least
stop at Starbucks
on the way to the
vet?

On the plus side, I can hear the

Can you hear
me now??

...and then Toby heard the
