Mission Federal ArtWalk Returns to Little Italy April 26 & 27, 11:00AM to 6:00PM

Creativity Connects. Celebrating 30 Years!

Each April, San Diego's Little Italy becomes an enormous open air art gallery with a full palette of art, music, dance and dining.

This 30-year tradition showcases the art of more than 350 visual artists working in all mediums, from painting to glass to photography, fine jewelry and more.

Having the opportunity to meet the artists allows you to make a unique personal connection to the artwork. For a preview of the art you'll find at the festival, check out our [searchable artist database](#) and be sure to stop and visit our [12 Featured Artists](#).

Little Italy's restaurants offer Italian as well as eclectic cuisine--stay and dine at one of the traditional favorites or visit one of the new dining spots.

Have you seen the **2014 ArtWalk Magazine**? It provides a terrific preview of the art and activities. Magazines are available at Mission Federal Credit Union branches throughout the county, and at participating Little Italy businesses. View a digital copy [here](#).

Visit the festival [website](#) for a preview of this years' artists, performance schedules, and "activities" to help you plan your visit.

With a widely-varied entertainment lineup, you'll be treated to [6 music and dance performance venues](#).
