What Does A Grateful Organization Look Like?

When was the last time you expressed gratitude to a co-worker, or received expressions of gratitude from one? Or when was the last time you thanked or were thanked by your supervisor? According to the latest research, gratitude in organizations is extremely significant -- for starters, it can boost morale and increase productivity. A recent quiz developed by the Greater Good Science Center, reveals some interesting findings on how people see and experience gratitude in the work place. [{ read more }](#)
