Co-chaired by Neville Billimoria of Mission Federal Credit Union and Charles Tassos of Experiences for Mankind (EFM), the 2014 San Diego AMA Cause Conference presents a new opportunity to bring together key purpose-driven leaders in our region to move the needle in the social sector. Our theme, Transformation Through Collaboration, intends to create an energizing, inspiring, relevant and actionable conference designed to foster social impact and meaningful change—together for—as Margaret Mead once said, “Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.”
